

Epiphany School Summer Newsletter

July 12, 2010

A Note from Peggy DeRouen, Head of School

We are gearing up for a fabulous 2010-2011 school year. You will be seeing some new faces around campus this year. Mrs. Lindy Rogers will be the new Pre-K 3 teacher and Mrs. Kathryn Felder will be the new multiage early childhood teacher. Mrs. Cindy Sanchez, although not a new face around Epiphany, will be our new Physical Education and Computer teacher. We are so blessed to have these great additions to our already outstanding staff.

At Epiphany we view parents and guardians as our partners in the educational process and encourage you to become involved in many of the school activities. We would also encourage you to contact the school if you have any questions or concerns during the year.

Once again this year we will produce a monthly newsletter for parents. This newsletter will be sent home with your child at the beginning of the month. As with everything else we do at Epiphany, we would ask that you provide us with feedback on whether or not this newsletter addresses the issues you feel are important.

I hope you are having a wonderful summer. We look forward to seeing you in August.
